Career Objective

Computer Science graduate seeking for an entry-level Frontend Developer position to apply skills in HTML, CSS, and JavaScript, with a focus on building responsive and user-friendly web applications.

Education

Bachelor of Technology (B.TECH) – Computer Science Engineering

Godavari Institute of Engineering & Technology – Rajahmundry, A.P
April, 2024

- CGPA: 8.5
 - Relevant Coursework: Software Engineering, Front End Development.
-

Projects

Project - Tech House Clone Website (*Frontend Development Project*)

Role: Developer

- Built a fully responsive website clone of **Tech House** using **HTML, CSS, JavaScript and Bootstrap**.
- Developed **interactive UI components** including navigation bar, product listing pages, and responsive layouts.
- Enhanced practical skills in web design, teamwork, and project execution.

Final Year Project - Sky Sage: Revolutionizing Airfare Prediction with Advanced Machine Learning

Role: Team Lead

- Led a team to develop an **airfare prediction system** using machine learning algorithms including **Random Forest, Gradient Boosting, and Bagging** algorithms.
 - Collected and processed airline pricing data, applying **feature engineering** to improve prediction performance.
 - Achieved **91% accuracy** by optimizing hyperparameters and leveraging ensemble learning techniques.
-

Technical Skills

- **Programming:** Python
 - **Web development:** HTML, CSS, Bootstrap
 - **Tools:** VS Code, MS Office (Word, Excel, PowerPoint)
 - **Soft Skills:** Team Collaboration, Problem Solving, Communication
 - **Typing Speed:** 35 - 40 WPM
-

Experience

Future Skill Expert Long-Term Internship Scheme by APSCHE Jan 2024 – Apr 2024

- Delivered hands-on training on emerging technologies like Artificial Intelligence, and IoT to 8th&9th grade students as part of the Future Skills Expert Scheme.
- Assisted in bridging the gap between academic knowledge and practical skills, ensuring students were prepared for future careers in the tech industry.

Front-end development Intern

Jun 2023 – Aug 2023

AICTE and EDUNET Foundation

Virtual

- Gained a great deal of experience in front-end web development. By end of the internship got ability to create interactive features on websites using HTML and CSS.
-

Certifications

Introduction to Programming using PYTHON

- Issued by Microsoft – June 2022
-

Extra-Curricular Activities

- Maintained GitHub and LinkedIn profiles to showcase projects, skills, and professional growth.
 - Hobbies are Hand Crafts, gardening and playing games.
-

Languages

- English
 - Telugu
-

Declaration
